Dear Respondents,

Warm Greetings!

We, the fourth year students of BatStateU ARASOF-Nasugbu taking Bachelor of Science in Information Technology major in Network Technology, are currently conducting a research study entitled “ReAcT (Research Activity Tracker): An Innovative Tool for Tracking and Monitoring BatStateU Faculty Research Performance”. Part of this study is to develop an information system that focuses on the management, tracking and monitoring of research activities relevant to the Research Office. The VCRDES (Vice Chancellor for Research Development and Extension Services), Head of Research, College Dean/Associate Dean, College Research Coordinators, Faculty Researchers and IT Experts QA Specialist are the respondents of the study and will be requested to take part in the evaluation of the system by answering survey questionnaires.

The survey aims to gather different inputs from the respondents as regards the developed system. It is a software solution that aims to provide an efficient and effective way of managing and monitoring research performance at the Research Office of Batangas State University TNEU ARASOF-Nasugbu.

In line with this, we humbly ask your participation to evaluate our system. Your participation in this survey is completely voluntary and all of your responses shall be treated with utmost confidentiality and impartiality.

Thank you very much for your time and cooperation.

Sincerely,

Cristie O. Andino  
Erlyn S. Andrin
